

# 3% Overall Similarity

The combined total of all matches, including overlapping sources, for each database.

## Match Groups

-  **29** Not Cited or Quoted 3%  
Matches with neither in-text citation nor quotation marks
-  **3** Missing Quotations 0%  
Matches that are still very similar to source material
-  **0** Missing Citation 0%  
Matches that have quotation marks, but no in-text citation
-  **0** Cited and Quoted 0%  
Matches with in-text citation present, but no quotation marks

## Top Sources

- 1%  Internet sources
- 3%  Publications
- 0%  Submitted works (Student Papers)

## Integrity Flags

### 0 Integrity Flags for Review

No suspicious text manipulations found.

Our system's algorithms look deeply at a document for any inconsistencies that would set it apart from a normal submission. If we notice something strange, we flag it for you to review.

A Flag is not necessarily an indicator of a problem. However, we'd recommend you focus your attention there for further review.

## Match Groups

-  **29 Not Cited or Quoted 3%**  
Matches with neither in-text citation nor quotation marks
-  **3 Missing Quotations 0%**  
Matches that are still very similar to source material
-  **0 Missing Citation 0%**  
Matches that have quotation marks, but no in-text citation
-  **0 Cited and Quoted 0%**  
Matches with in-text citation present, but no quotation marks

## Top Sources

- 1%  Internet sources
- 3%  Publications
- 0%  Submitted works (Student Papers)

## Top Sources

The sources with the highest number of matches within the submission. Overlapping sources will not be displayed.
